of their children

Grades K/1 through 10

ACTS Discipline Policy

The goal of all ACTS classes is to encourage a respectful and productive learning environment in the classroom. All ACTS staff will endeavor to foster this by modeling godly character and through praising students for:

- good behavior
- excellent academic achievement or strong effort
- displaying godly character traits

The Limits of Classroom Discipline will be:

1. No ACTS adult will use corporal punishment, handle children physically (except in an emergency), shout or verbally intimidate children in the course of disciplining them.
2. In order to maintain the integrity and reputation of the ACTS staff, no adult will be alone with a child in an office, classroom, or bathroom with a closed door. The POTD will assist the tutors and administrators as needed to uphold this standard.

Student Expectations

Students will:

- arrive on time (7:50 AM)
- obey cheerfully the first time, every time
- quietly raise their hands before speaking in class
- listen quietly
- sit appropriately and respectfully
- work diligently and cheerfully according to their ability
- agree that bathroom breaks occur prior to the start of the day (7:50), during snack time, and at the end of the day

ACTS Code of Conduct – Levels of Consequence

As students are learning the standards of ACTS behavior, it is the desire of the ACTS staff to partner with families in reinforcing these standards. Actions have consequences – good or bad – and learning from those actions is the goal of any discipline. We desire to model the way God deals with us through regret, repentance, and restoration.

The chart on the next page outlines the levels of involvement of the ACTS Tutors, Administrators, and the ACTS Board in the shaping of the character of ACTS students.
