

## ACTS NUT Policy

ACTS is a NUT-free zone. As a Biblical command to ‘regard one another as more important than yourselves,’ (Phil 2:4), the ACTS Board has requested that ACTS parents, students, and tutors work together to uphold this policy. Although the ACTS Board and Administrators cannot guarantee the safety of all students while at ACTS, being pro--active is important. Please read all labels carefully.

Key words to notice:

- ***contains tree nuts, peanuts, peanut by--products, or peanut oil***
- ***manufactured on equipment shared with peanuts or tree nuts***
- ***manufactured in a facility that processes peanuts or tree nuts***
- ***traces of peanut or tree nut dust***

The first line of defense begins at home before snacks are packed. *This applies to items baked at home and sent as snacks. Ingredients must be peanut free.* The ACTS Community appreciates your cooperation in actively caring for our students.

This NUT policy is in effect during:

1. the ACTS day
2. after ACTS enrichment times (lunches must be tree nut/peanut free)
3. any ACTS sponsored organizational meeting
4. any ACTS field trip
5. any ACTS Community Gathering (Showcase, Game Night, etc)
