

## ACTS Dress Code

At ACTS, we recognize that as a community, we have the opportunity and privilege to develop an atmosphere which encourages our students to honor one another. One avenue of expressing honor for each other is conveyed in how students dress. Each ACTS student is charged with the responsibility of knowing the Dress Code & conforming to it.

The purpose of the Dress Code is to promote unity among the students as well as to foster a non-distracting learning environment. Parents are to share in the responsibility by supporting Dress Code adherence. As the year progresses and children grow, parents are asked to make periodic inspections of skirt, pant, and shirt lengths.

### All Students

Hair must be a naturally occurring color and neatly groomed. Make-up should not be distracting. Visible piercings are limited to ears.

### Kindergarten

Students in the Kindergarten class spend their day moving about the classroom, sitting at tables or on the floor, and playing outside. For this reason, the Kindergarten Dress Code is simply comfortable, outdoor friendly clothing. Young ladies must wear leggings or shorts under their dresses and skirts. All students must wear closed toe shoes.
