

Assisting homeschooling families
in the Classical Christian education
of their children

Grades K/1 through 10

ACTS Medical Policy

To promote the health and welfare of the entire ACTS community and in the spirit of treating others as more precious than ourselves, the ACTS Board has adopted the following policies:

Please do not bring your child to ACTS if he or she is sick or has exhibited any of the following symptoms within the past 24 hours:

- Rash of unknown origin
- Runny nose with colored discharge
- Discharge from eyes or ears
- Communicable disease (chicken pox, roseola, conjunctivitis, mumps, measles, influenza, etc.)
- Fever
- Diarrhea (within the past 24 hours)
- Vomiting (within the past 24 hours)
- Head lice or lice nits within the past 72 hours without first discussing the treatment with the Administrator*

If your child should become ill while in class, you will be notified immediately to come pick up your child. Please supply ACTS with an emergency phone number where someone can reach you quickly and easily.

* Helpful information about dealing with lice:
