

**ACTS Grammar 4.....\$2375**

**Course Description  
2019-2020**

**Composition**

Incorporating additional stylistic techniques as well as adding complexity to their writing, students continue to develop their composition skills as they work through additional units of **Andrew Pudewa's Teaching Structure & Style**. New skills developed this year focus on moving students toward more independence with editing & vocabulary choice while exercising their imaginations to create details & dialog. A variety of assignments draw from history or science using differing formats to reinforce concepts from previous years.

**Grammar**

**Shurley English Level 4** develops a deeper understanding of grammar &

sentence construction. Grammar 4 students work on grammar at home using weekly lesson plans provided by ACTS. Classroom instruction briefly introduces grammar concepts while encouraging reinforcement of previous ones & keeping up with home lessons. Students continue to recite jingles, work through the Question & Answer flow of sentences while solidifying their understanding of basic grammar.

**History**

In studying the Medieval Era using **Veritas Press Middle Ages History Cards**, students encounter God's hand orchestrating events & see His hand preserving His word throughout His story. Weaving a tapestry that incorporates God's purpose in 32 pivotal events & people of the period, students will learn new vocabulary, memorize the 32 events through a song, and discover how the world shifted & changed during this dynamic period. Various crafts, projects, and field trips enrich & enhance each student's understanding of the era.

**Science**

Exploration of God's amazing universe is the focus of study using *Apologia Science Young Explorer Series*, **Exploring Creation with Astronomy**. Content covered includes the major structures of the solar system, unique features of each planet, as well as constellations, comets & other heavenly bodies. Students also learn about space travel & astronauts. Collaborative learning, interactive projects, & opportunities to hone their observation skills are incorporated through the year.

**Latin**

***Latin for Children Primer B***

follows Primer A's material covered in Grammar 3. Review of concepts learned in the previous year prepares students for the more advanced concepts of the coming year. Through vocabulary drills, chants, quizzes, parsing & translating of simple Latin sentences, reinforcement of new words & concepts is accomplished further equipping each student as they advance in their Latin studies.
